

Did you know?

CCSSE items 11h and 11i ask students about developing clearer career goals and gaining information about career opportunities. Work in guided pathways tells us of the importance of students' starting with the end in mind.

Item 11: How much has your experience at this college contributed to your knowledge, skills, and personal development in the following areas?*

11h. Developing clearer career goals

11i. Gaining information about career opportunities

* Based on CCSSE 2018 Cohort Data
